Avalanches on Miller Ridge

Miller Ridge
Cooke City
2/25/2024
Code
N-R2-D2-O
Aspect
N
Latitude
45.04230
Longitude
-109.96500
Notes

From IG message: “These are on the ridge between Miller Mtn and Sunset Peak on North aspect. All of the North facing ridge of Miller Creek up to Miller Mountain had similar slides too. The crowns filled back in overnight… The North facing ridge on Sheep Mtn slid as well, not sure on the trigger but a rider from another group send the following image of the Sheep slide“

Number of slides
