Activity

Skiing

Psyched to see some snow!! I did a quick tour up to PK this morning. There was a few inches of new snow in the parking lot and boot top pow at the top of PK. I saw a small debris pile in Z-fan and a crown within the new snow in Parallel (or Diagonal?). I tried to snap a photo but it was foggy.

Yeehaw!

Spencer

Region

Bridger Range

Location (from list)

Bridger Bowl
